

Sing

Words and Music by Gary Barlow and Andrew Lloyd Webber

Some words they can't be spoken only sung.
So hear a thousand voices shouting love.
There's a place, there's a time in this life when you sing what you are feeling.
Find your feet, stand your ground,
Don't you see right now the world is listening to what we say?

*Sing it louder, sing it clearer, knowing everyone will hear you.
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.*

To sing we've had a lifetime to wait (Wait, wait, wait)
And see a thousand faces celebrate. (We have to celebrate)
You brought hope, you brought light, conquered fear, no it wasn't always
easy.
Stood your ground, kept your faith,
Don't you see right now the world is listening to what we say?

*Sing it louder, sing it clearer, knowing ev'ryone will hear you.
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.*

Some words they can't be spoken, only sung.
To hear a thousand voices shouting love and life and hope.
Just sing. (x2) Just sing. (Oh, yeah) (x3)

*Sing it louder, sing it clearer, knowing ev'ryone will hear you,
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.*

Hear a thousand voices shouting love.
