Head Teacher: Mrs Karin Tillet

9th October 2025

REF: Medway School Nurse

Parent/Carer,

Following a number of parent enquires regarding Bladder and Bowel issues we have arranged for the school nursing team to come in to school on **Tuesday 4th November 2025 at 1.45pm** to run a Toileting (Bowel and Bladder) information workshop. This will be approximately 1 hour long.

We feel that this is an excellent opportunity for parents to access information and relevant support to aid your child in school and at home.

Their hopes for the session are that:

- Parents can access support and implement strategies without requiring a referral to the School nursing team, reducing time in writing and processing referrals for both school nursing and school staff
- Your child is able to independently toilet without support from school staff allowing them to access their learning
- Your child has increased opportunity for social activities including sleep overs
- There would be less impact on your child's self esteem due to feelings of guilt or embarrassment over toileting issues.
- The nursing team will stay at the end to answer any questions you may have regarding your own child.

After the workshop is complete, if you are able to implement the strategies for 8-10 weeks and you see no improvements you can complete a self-referral to the school nursing team. They will then offer you a 1:1 clinic appointment to complete a continence assessment.

Please can you inform us at the office by **Friday 31st October 2025** if you wish to attend.

Email: office@fairviewprimary.medway.sch.uk

Thank you,

SEND and Pastoral team

At Fairview, our school values underpin everything we do and are core to the ethos of our school. Our aim is to develop a community of **responsible** learners who not only demonstrate **collaboration** and **perseverance** in their work, but who also show **kindness**, **respect** and **honesty** towards one another.
