Governing Board Monitoring Visits Policy

A breach of this policy is a breach of the Code of Conduct

Introduction

This policy applies to school visits made for the purpose of governance and not to visits to the school site that any individual may make in another capacity e.g., as parents, priests, professional advisers, volunteers or members of staff.

Purpose

All school visits will:

- Have a clear focus, linked to strategic priorities, and delegated statutory governor roles, be timely and planned against the board approved monitoring schedule and board meetings.
- Be arranged with adequate notice through the headteacher who will agree the visit with the relevant members of staff. If the headteacher agrees for meetings to be agreed directly with the relevant members of staff, they should be made aware of the visit once arranged.
- Be of value to the board in holding the school to account and demonstrably evidenced to outside agencies e.g., Ofsted, the Local Authority, Diocese, DfE.
- Obtain input from a range of the school community where appropriate e.g. not just subject leaders / SLT but consider, for example, other members of staff and pupils.

It is not the role of those governing to form judgements about the performance of school staff during visits and individuals should make every effort to avoid this impression.

Governor Conduct

Governors undertaking visits will comply with the school and board's codes of conduct and the standards of presentation expected of staff. They will be mindful that they are representing the whole board through their words and actions. The boards code of conduct will contain reference to the governor board monitoring visits policy.

Training

Governors should ensure they understand their monitoring remit, undertaking relevant training to keep up to date with best practice and latest statutory and legislative requirements. Role descriptors would aid governors in their understanding and expectations in carrying out their monitoring visits.

Governor reports following visit

Governors undertaking their visits will have the opportunity to discuss the visit, including any concerns, with the headteacher immediately or soon after the visit.

The attached 'Governor Visit Report' will be completed after each visit, containing the visit findings and questions to be raised at the board or committee meeting. A draft will be shared with the headteacher and any other members of staff involved in the visit for any comments concerning factual accuracy; a final version will be sent to the governance professional (clerk) to be included in the agenda and as a supporting paper for collective discussion and further constructive strategic questioning at the next board or committee meeting.

Confidentiality

Confidentiality should be adhered to regarding visits. Comments should be limited to the headteacher with whom the visit was arranged but not with other staff or with parents. Individual children or staff members (other than the member of staff involved with the visit) should not be identified in the governor visit reports.

Frequency of Visits

Each governor member will undertake visits as agreed in their approved monitoring schedule with a minimum of one visit to the school per academic year but no more than three times a year unless the school circumstance necessitates.

Review

This policy, protocol and procedure should be reviewed by the board every academic year alongside the code of conduct.

This Policy will be circulated to all new governors upon appointment.

Purposes of a Governor Visit

The benefits to governors either within their monitoring role or as whole days:

- To enable the delegated governor roles, set out in the delegated terms of reference, to hold leaders to account and the board collectively fulfilling its duties by demonstrating accountability and constructive challenge. This is essential for delegated roles required by statute.
- To see the strategies in action as outlined in the school improvement plan e.g. meeting with the subject lead of an area for improvement, seeing first-hand and learning about the impact of the adopted strategy and how this translates through to classroom practice and children's learning
- To improve knowledge of the school, its staff, needs, priorities, strengths and weaknesses, and have prevent overreliance of headteacher-only information.
- To see in action the impact of specialist funding i.e. pupil premium, sports premium, covid catch up premium.
- Financial probity by providing robust and effective governance to ensure the viability and efficiency of the organisation through effective business and financial planning and processes.
- To develop an understanding of issues facing the school and how they are dealt with on a day-to-day basis to inform strategic decision making
- To observe the impact of policies in action including monitoring the implementation of a particular policy e.g. safeguarding, behaviour, health and safety, SEND, EYFS, etc.
- Gaining an understanding of the broad full curriculum or a curriculum subject area as relevant.
- To see the use of resources and how the premises are utilised, understanding the environment for teachers and pupils
- To recognise and celebrate success
- To evidence the governing boards ethos, vision and values in action.
- To show themselves as part of the school and to gain stakeholder engagement with pupil, parents, staff or the wider community e.g., pupil voice, school council, parent forum, parent evenings.

The potential benefits to staff:

- To ensure governors understand how school priority strategies are embedded in practice, understanding the reality of the classroom and environment.
- To enhance the continuous professional development of middle and subject leads
- To get to know and build positive relationships with governors.
- To understand better the governors' roles and responsibilities including the responsibility to work with executive leaders to address unnecessary teacher workload.
- To feel valued.
- To have an opportunity to reflect on the impact of policies and procedures through discussion.
- To highlight the need for/impact of particular resources.

The potential benefits to students:

- To ensure governors understand the reality of the classroom environment, broad curriculum and school life.
- To get to know governors.
- To understand better governor roles and responsibilities.
- To give feedback about the school and their views of the impact of policies to the governors.

The potential benefits to parents:

- To ensure governors understand the issues that parents may face.
- To have mechanisms for enabling the board to listen, understand and respond to the voices of parents / carers, particularly to ensure transparency of decision- making.
- To get to know governors.
- To understand better governor roles and responsibilities.
- To give feedback about the school to the governors.

What a visit is not about

- Visiting classrooms to observe a lesson, unless as part of an accompanied learning walk against a specific school improvement priority. This prevents any confusion on a class visit being confused as a form of inspection to make judgements about professional expertise of a teacher.
- Undertaking a staff operational role e.g. touring the school undertaking health and safety checks, even if professionally qualified in this area.
- Checking on progress or receiving information of individual children
- Pursuing a personal agenda
- An opportunity to tackle staff about specific issues not related to the delegated statutory governor roles.

Protocols or ground rules for visits

- Ensure the visit has a clear focus linked to the school improvement plan and/or area of governor responsibility.
- Governors individually understand the boards' and their delegated area of responsibility, enabling preparation to ensure they provide the constructive challenge required.
- Governors to remember that during any visit their role is strategic not operational.
- Governors to ensure in preparation for their visit they have undertaken relevant training and read any relevant policy or supporting documentation.
- The headteacher will liaise with the member of staff responsible for the school/priority/policy objective to arrange the date and schedule of the meeting.
- Staff should have the opportunity to explain the context of any lesson on the rare occasion that a governor visits a classroom
- Governors will not interrupt lessons by asking teachers questions on the rare occasion that they may visit the classroom.
- Governors may talk to students during learning walk visits to lessons, about their understanding and learning journeys, but must not ask questions about the teacher's conduct of the lesson.
- Governors will ensure that they are familiar with the school's code of conduct as well as that of the board, with expectation that they follow the same behaviours to understand how they will be addressed and how to address others as well as appropriate dress code as outlined within both codes of conducts.
- Governors will have a clear understanding that a breach of the governor monitoring visit policy will be dealt with as a breach of the board's code of conduct.
- Governors will formally write reports on their visits using the board approved templates ensuring that draft reports are sent to the Headteacher for factual accuracy comments prior to the final report being produced.
- Monitoring visit reports will be circulated in advance, via the governance professional (clerk), for either the relevant committee or board meeting to enable discussion, triangulation and key questions to be raised; with minute evidence documented to show the impact of the visit.

Annual programme of visits

A programme of delegated governor visits (monitoring schedule), spread evenly across the school year in consultation with the headteacher, should be planned using the school priorities, school improvement

plan, board and committee meeting timetables and governor roles by skillset. This should be approved alongside the statutory delegated monitoring governor roles. Regular analysis of this schedule enables governors to ensure they are monitoring, evaluating and triangulating against the current school priorities and statutory areas and reporting back to the committees or board as appropriate. This enables the board to know the school in terms of being able to evidence this to Ofsted or other outside agencies and demonstrate constructive challenge and impact. The number of visits by each governor should be a minimum of once a year and not more than three times a year, unless the school situation necessitates, or they are fulfilling the statutory delegated governor role which requires 3 visits a year.

Example of governor monitoring visits may include:

- Learning walks with members of staff.
- Pupil voice in the class or interviews in groups.
- Looking at pupils' work against marking policy.
- Monitoring implementation of a policy e.g., behaviour, equality, safeguarding, finance.
- Gaining an understanding of the broad curriculum, or particular area.
- Seeing in action the impact of specialist funding
- Ensuring finance processes are in place.
- Seeing in action deployment of staff and impact of any change e.g. reduced class sizes/ split classes.
- Reviewing the environment, the condition and maintenance, use made of the buildings or the site and impact of the resources of the school.

Whole board days can for example include:

- Visiting break and lunchtimes with staff and pupils
- Pupil voice and their understanding of how they are receiving a quality education
- School council
- Parent forum
- Gaining an understanding of the impact of spend of funding with spending leads
- Monitoring the boards culture, ethos, and values
- Parental engagement at the start; end or during parental events in school
- Monitoring British values
- Monitoring the preparation for the next stage of education

Monitoring and review of school visit policy

The policy should be monitored and reviewed annually alongside the code of conduct.

Areas we should consider when reviewing are:

- Are our visits achieving the potential benefits we identified? Are we fulfilling our core functions?
- Are our individual reports having impact within the committee or board meetings?
- Do our board and committee discussions from the governor reports show further collective constructive challenge and holding to account which is evidenced in the minutes?
- Are our visits timely against the school improvement plan?
- Do we have the right governor monitoring roles against the current school priorities?
- Are all governors aware of their responsibilities? Do they understand their role? Do we have role descriptors?
- Are statutory delegated governors appointed to their roles due to skillset? Are they keeping up to date with best practice and latest statutory/ legislative requirements?
- Are we better informed and can evidence the accuracy of Headteacher and SLT reports?
- Have we engaged with stakeholders to understand their views to use as part of informed strategic decision making?
- Have there been any unexpected benefits?

- How can we make our practice even better? Is there anything we need to change in how visits are conducted from feedback from stakeholders?

Governor Visits - Good Practice

Preparing for a visit

- Check the agreed policy and schedule for governors' monitoring visits
- Arrange a mutually convenient time to visit, within the monitoring schedule and board meeting windows, with the headteacher.
- Discuss the visit and agreed timetable with the headteacher and ensure that any member of staff who will be involved in the visit, understands the arrangements.
- Clarify the purpose of the visit as outlined within the monitoring schedule and undertake background preparation reading preparation. Understand your strategic monitoring role. Do you have a role descriptor explaining your responsibilities?
- Review the milestones and action points in the School Improvement Plan? What are the relevant school Policies associated to this area? How does this determine the activities I am interested in seeing in action? What questions do I want to ask?
- Discuss with the headteacher/staff lead if any new supporting information is available, e.g., Ofsted report, updated improvement plan, performance data, subject lead report, policy.
- Ensure that you are familiar with safeguarding and health and safety procedures
- Read the board code of conduct and staff code of conduct to ensure understanding of the professional behaviours required.

During the Visit

- Remember you are making the visit on behalf of the governing body; it is not appropriate to make judgements or promises on behalf of the governing body.
- Be punctual, reporting to reception and signing in as a governor. Wear a badge to identify yourself as a governor. Keep to the agreed timetable but be flexible to the school needs.
- Decide with the headteacher how you will be introduced and how you will address staff and pupils
- Be courteous and professional throughout the visit, friendly not critical, including thanking members of staff before leaving.
- Remember you are there to learn and see the information you have been told is happening with your own eyes. It is a visit not an inspection.
- Keep to the role agreed; only talk to students if invited/agreed to do so.
- Observe discretely. Depending on the context of the visit, excessive note taking can be disconcerting and may make your visit look like an inspection.
- Interact, don't interrupt.
- Remember why you are there. Don't lose sight of the purpose of your visit.
- Respect confidentiality
- Meet the headteacher at the end of the visit and discuss what you have seen, including any issues or concerns you may have. Refer to the purpose of the visit. Consider together whether it has been achieved.
- Ensure you have signed out

After

- Share any concerns with the headteacher and chair, however trivial. Use the opportunity to clarify any issue you remain unclear about.

- Thank the staff by email via the headteacher for contributing to the success of the visit and for supporting you in your role as a governor. Be open, honest, and positive.
- Make more notes as soon as possible after your meeting/observation while it is still fresh in your mind. Complete the agreed visit template proforma (see appendix A).
- or committee meeting. (see appendix A).
- Draft the report ensuring individual children or staff members (other than the member of staff involved with the visit) are not identified in school visit reports.
- Send the draft to the headteacher and once you have taken their comments into account, forward the final written report to the governance professional (clerk) for circulation at the appropriate committee or governing board meeting.
- Ensure that your visit is included as an agenda item at the next appropriate committee or governing board meeting.
- Complete the agreed visit template proforma in time for the headteacher to comment on; keep in mind that the governance professional (clerk) is required to circulate documentation at least 7 days in advance of all board meetings. Ensure that all the questions and answers are captured for the delegated statutory roles and for all key questions are added following evaluation of the visit to be raised at the next board or committee meeting. (see appendix A).
- Reflect: how did that go? Has the visit enhanced relationships? Have I learned more about the school? Have I helped the board collectively fulfil its duties with constructive challenge and holding to account? Are there actions the board will want the next visit to follow up/focus on following discussion? Do I need to undertake training to increase my skillset to fulfil the monitoring role effectively? How has this visit had impact at the board meeting?

Informal or outside of delegated role visits

Outside of delegated and scheduled monitoring, visits may also take place to gain stakeholder view, focus whole day visits on a specialised area or monitor the boards ethos, vision and values. These can be documented using the approved formal visits template (Appendix A) or as a board day with specific documented feedback. Visits may also take place in an informal capacity for less formal occasions such as school events, plays, sports day, and celebration events. 'Discreet' information can be gathered on these visits which build on your knowledge of the school. Visiting governors should ensure that they follow the governor visits protocols as appropriate and consider how they will feedback to the board having completed the report using the informal template (appendix B) Informal Visits.

There will also be times when a governor visits the school and a report is not required. For example:

- The chair making a regular planned visit to meet the headteacher
- To get information from the office relating to a committee or board meeting
- New governor tour of the school
- Attending working groups, committee, or board meetings
- Invited to attend prize giving or celebration events

Areas not considered as a governor monitoring visit

It is vital that everyone is clear about the capacity in which they are visiting and not to confuse their roles when they wear more than 'one hat' within the context of the school.

For example, times when governors may be visiting the school **NOT** as a governor

- To help in a class as a volunteer
- To lend a helping hand with a school event or educational visit as a volunteer
- To speak to a teacher/headteacher in relation to their own child
- Attending a school function or educational visit as a parent/relative/invitee
- Visit in relation to your position as the local priest, councillor, member of staff or providing commissioned or uncommissioned support (which needs to be declared) in your professional capacity, e.g., advising on finance, amending/devising the school website etc
