Behaviour for Learning:

Behaviour steps .

At Fairview Primary School we expect that you follow our school values. And you show respect, responsibility, 6 kindness, perseverance, collaboration and honesty.

If your behaviour hurts or disrupts others you will.

Step 6. You will be sent to the HT's office and your parents will be called. You will need to stay there to calm down and any work you don't finish you will take home.

Step 5. You will spend a lesson away from your class with an assistant Head Teacher. You will need to lose your break or lunchtime and your parents will be phoned. I will need to finish any work at home.

Step 4. You will be moved to a partner classroom for 10 minutes. You will need to complete your work and will miss 10 minutes from break or lunch. Your parents will be phoned.

Step 3. You will be moved from an activity or to another place in your classroom. You have chosen not to change your behaviour and will miss 5 minutes of break or lunch. Your teacher will inform your parents at the end of the day.

Step 2. You will receive a warning. This means your behaviour isn't acceptable and you haven't made a change. The adult will make sure you understand your task and the expectations.

Step 1. You will receive a reminder about what you should be doing. This means that the behaviour you are showing is not acceptable. This is a chance for you to change your behaviour.

Internet Safety

Our focus is to deliver an effective approach to online safety, which empowers us to protect and educate the children in their use of technology.

In our first lesson of the year, the children all sign an internet safety agreement.

At the beginning of each term, we start the computing unit with a lesson on a specific area of internet safety. This is then reinforced throughout the block of lessons.
