## A little bit about me:

Hello! I'm Miss Carter and I'm very lucky to be teaching my favourite subject in the entire world- music! I have been teaching for 24 years, in 4 different schools, mostly as a class teacher but always with plenty of music. I love to play music with my friends and am always a very busy musician because I play an unusual instrument: the viola! I also play the violin, piano, recorder, saxophone and ukulele.

## Some of my favourite things:

**Book:** This is a tricky one because I change my mind all the time - there are so many good books out there. I love Varjak Paw by SF Said and have read it with lots of children.

**Hobbies:** Music! I also love gardening and have made it my mission to fill my garden with purple flowers! I love long walks in the countryside and meeting up with friends.

**Film:** I am slightly old-fashioned in my choices, but I love a funny film called Short Circuit.

**Colour:** Purple!

**Food:** I am a huge fan of Thai food, especially red curry.

**Animal:** Cat - I am Mummy to a beautiful white cat called Luna. I also love giraffes.

This is a picture of (half of) me with my beautiful cat Luna and my viola, which is called Rex! Luna loves to listen to all the musical activities in my house. She is adapting to a later dinner time since I started at Fairview and usually greets me by the car when I get home.

At Fairview, our school values underpin everything we do and are core to the ethos of our school. Our aim is to develop a community of **responsible** learners who not only demonstrate **collaboration** and **perseverance** in their work, but who also show **kindness**, **respect** and **honesty** towards one another.
