Our year 6 Junior Leadership team have written the first addition of the Children's newsletter, we will be sending these out throughout the year. If your child has an article, achievement or news that they would like to see included in the next addition, please ask them to pop to the office.

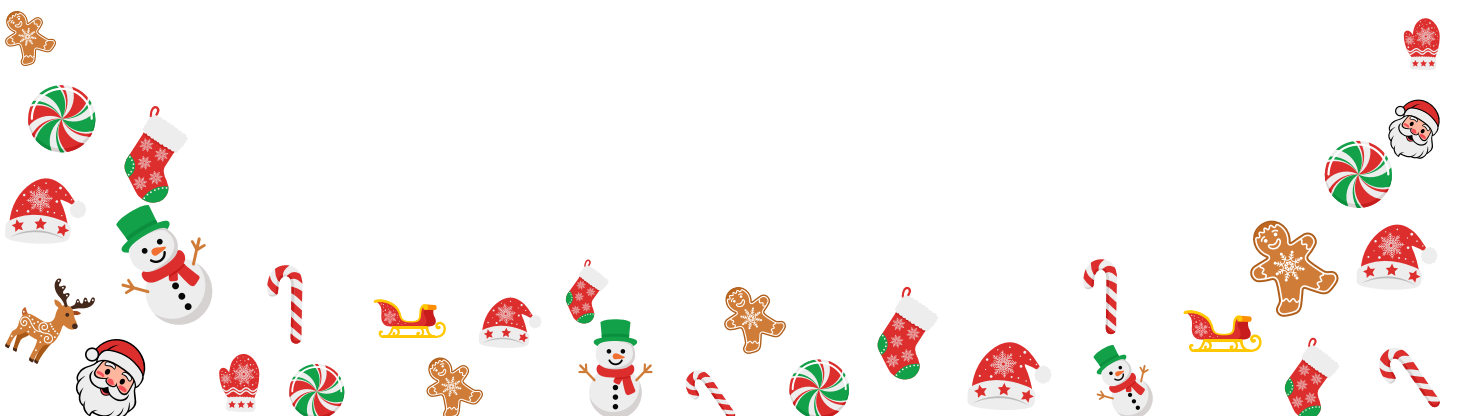

WELCOME TO FAIRVIEW'S FIRST JLT NEWSLETTER

By Mia McGrath

This merry Christmas our extraordinary students have had the chance to wear their Christmas jumpers to school for a day.

Additionally, we had a Christmas dinner with a Christmas cookie for pudding.

On the last day of term each class had a Christmas party with fun and games, most students wore Christmassy accessories with their school uniform. Lastly, every year (except year 6) performed a Christmas show for their parents, grandparents, siblings and anyone who can come in their family.

Go Kart Project by Theo C

Every year, 9 people from year 6 get picked to dismantle and rebuild the go kart, ready to race it against other schools. The project is called Young Eco Engineers, and tries to be as eco friendly as possible, using lots of recycled materials.

Staff Fact Files
