Yesterday the Cup team and the Championship team went to the mini youth games. Where they showed great passing and tackling even though they faced some really talented teams. In the morning the Cup team played Gad's Hill, High Halstow, St Andrews and Hoo school.

Against Gad's Hill it was a 0-0 draw, with High Halstow we lost 1-0, Hoo we lost 1-0 and St Andrews we again lost 1-0.

At lunch me and the other reporter, Lucy, swapped teams for the afternoon.

In the afternoon the Championship team played against Swingate, Luton and St Margarets. Against Swingate we won 5-1 where Florence showed great determination, with Luton we drew 1-1 where Ben showed amazing defence. St Margarets were good but we still won and Mikey did an incredible tackle.

Over all our Cup team came 21st out of 28 and our Championship team came 6th out of 10. Well done Fairview!

MYG Hockey Plate - Report by James C

On Tuesday 7th October, our Fairview hockey team took part in the MYG Hockey plate competition at Holcombe Hockey Club. The team consisting of Elijah, Milo, Oscar B, Phoenix, Georgia, Scarlett, Betsy & Lily D, all played brilliantly and demonstrated excellent teamwork and determination throughout the day.

Let me take you through some of the highlights of the 8 games. We had some early success against Napier, with Phoenix and Elijah attacking brilliantly. Phoenix put away four goals, Lily with 2 assists! Betsy & Lily showed unity in defence helping maintain a clean sheet!

The game against Brompton Westbrook started strong putting pressure on the other team, until they managed to score. But we didn't give up and kept on pushing for a goal. Half time and the score was 1-0 to Brompton. We went into the second half hungry for a goal with Elijah and Georgia collaborating up top we were surely going to score. Late in the second half, Oscar manages to push the ball through the keeper's legs and scores! The game finished in a 1-1 draw.

Another strong performance in our game against Chantry and Betsy demonstrated some great dribbling down the line, with Milo and Oscar defending impressively and Scarlett and Georgia showing strength in our midfield. Late in the first half Phoenix scored putting us 1-0 up at half-time. In the second half Oscar committed to clear an attempt at goal from the other team but it just went past the line, ending the game as a 1-1 draw.

In our last few games Scarlett and Georgia came very close to scoring but the opposition defended well and it wasn't to be. One of the eight games we played, we won one, drew five and lost two. Fairview can be proud of their amazing team performance and perseverance!
Well done to everyone!

MYG Basketball Cup – Report by Scarlett

Fairview played in the Cup Basketball tournament on the 11th November at Medway Park. We were competing against 25 schools and played 8 of them. Across the 8 games we played on 4 courts and every team that competed played to their best which made all of them a real competition. The team consisted of Ava, Leo Lilly, Mason, Milo, Parker, Rosa and Violet.

Game 1 we were playing against Chattenden, lots of shots were flying through the nets and the passing between the teams was amazing. The game ended with a score of 11-7 to us. The points were scored by Ava, Leo, Violet and Mason.

In Game 2 we competed against Mierscourt, Their team was more physical than the last but we saw brilliant tackling from Parker and a close shot. It ended 4-7 to the opponents and we scored points from Mason, Ava, Violet and Milo.

Game 3 we played Napier, an aggressive team. We played with great teamwork and defending. The score ended up as 2-9 to Napier. The points were scored by a basket from Violet and strong teamwork from the rest of the squad.

New Road were the opponents for game 4. We were physical and the team passed to everyone making it easier to get up the court. We ended up winning 4-3. The contribution from the whole team and Ava and Milo's shots, made this win possible.

Our next challenger was St Benedicts for our 5th game, a tough, aggressive game. Throughout the game we operated some great passing and spacing. The score ended up being 3-6 to our opposition, with points scored by Ava and Leo.

Our next rivals were Kingfisher who had good aggression during all the games they played. We knew this 6th game would be tenacious. Both teams showed great effort throughout, Mason and Ava scored points and there were strong contributions from the whole team.

Our 8th and final game was played against St Marys. A team who had won all their past games. They were a great team but we battled hard and were consistent with our passing and tackling. St Marys won the game 0-13, however, we still played amazingly despite the loss.

We ended the day playing 19th. We all had fun and everyone contributed to the squad. We are all very proud of the team and I'm sure the players are proud of each of their team mates.
