MYG Hockey Cup Team report by Violet Stoddart

Fairview entered the tournament with absolute confidence and the highest hopes. However, their determination was about to be put to the test as we face our first competition, New Road. As we kicked off Elliot made some good chances, Scarlett made some excellent tackles and Tristan made some good saves. Unfortunately, we lost 1-0. But that didn't make us lose that confidence because in the next match against Lordswood we won, as Rowan scored a great goal to make us win 1-0.

Very sadly, Scarlett got injured and couldn't participate anymore.

Next match was against St Williams Perth. Early on in the game they scored a goal as we didn't want them to score another we turned it into a defence game and we did well because it stayed 1-0 to St. Williams.

We then had a break.

Hempstead was next to face us. We started with lots of energy and made Hempstead very defensive. This resulted in the game being a 0-0 draw.

We now eat our lunch and then Balfour Broncos was the match we were looking forward to. As Rowan scored two goals and Elliot scored another to make us win 3-0. Next up was Blight Bears our team tried really hard with Amala and Xanthe making great tackles, and Lucas made fantastic passes but unfortunately we lost the game 3-0.

Our second to last game was Bredhurst, we worked well as a team and had excellent defence but sadly lost 4-0.

Last game of the tournament was St. Margarets, Violet kept early shots out and the whole team played really well, but we lost 2-0.

At the presentation we found out we came 16 out of 24 teams - Well done Fairview!

MYG Hockey Plate Team report by Pihu Barot

As you may know on the 6th October some children were taken for Mini Youth Games and ended with fantastic wins. Our first game was against Parkwood who led us to an excellent start we ended up with big wins but sadly did one draw and 2 loses but that didn't stop our fellow companions from believing. Not only did we show respect by shaking hands with each other but we showed great gratitude towards each other but collaboration and perseverance even in the darkest point of this tournament. And this wasn't about winning but showing the art of collaboration and perseverance.
