Sports news

MYG Plate tournament – Tuesday 10th November – Written by Eli Hiller

Fairview started slowly, but the whole team gave 100% throughout the day. We lost our first game against St Andrews 11-4 and then lost our second game against St Michaels 7-1. William was sadly injured during this game, but he came back stronger in the games that followed.

Game 3 was against Walderslade, and we lost 8-2. Across all three games, we passed well and created some great chances.

We then won our next two games against Pilgram 5-3 and Riverside 10-2, with both Lucas and Eli scoring 2-point goals!

We went up against Mierscourt in Game 6 and lost, but we bounced back against Woodlands in Game 7 and won 4-3.

Our final game against Cuxton was where we all came together as a team and won 9-0! Lucas, William and Buddy were quick at dribbling the ball across the court, while Eli was hustling the opposition to win the ball. With several great passes from Rose and Evelyn, there was always someone ready and waiting to score!

Across the day, we lost 4 games and won 4 games, but overall, we had a great day playing together as a team and showing the Fairview School values.
